

this year. It is a direct result of Biden's border crisis.

Vice President Harris was appointed as the so-called immigration czar, but has spent more time in New Hampshire than at the border. And if she were to visit, she would see the toll that the influx of migrants is taking on our border. It is not just a humanitarian crisis, but it is leaving us vulnerable to increased drug smuggling that is ravaging our streets. She would hear directly from the DEA agents, just like my colleagues and I did, why it is so important to schedule fentanyl as a schedule I drug permanently, not just for 5 months.

A 5-month extension is not long enough. Let's just stop playing politics. There is no excuse why we are not working toward a permanent ban.

Mr. PALLONE. Madam Speaker, I have no further speakers, and I reserve the balance of my time.

Mrs. RODGERS of Washington. Madam Speaker, I have no further speakers, and I yield back the balance of my time.

Mr. PALLONE. Madam Speaker, I would urge support for this bipartisan bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey (Mr. PALLONE) that the House suspend the rules and pass the bill, H.R. 2630, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The title of the bill was amended so as to read: "A bill to amend the Temporary Reauthorization and Study of the Emergency Scheduling of Fentanyl Analogues Act to extend until October 2021, a temporary order for fentanyl-related substances."

A motion to reconsider was laid on the table.
